ADDITIONAL INFORMATION

Purpose. The Request for Transfer to a Health Savings Account (HSA) form is designed to assist you in the non-reportable movement of assets from one HSA to another HSA or from an Archer Medical Savings Account (MSA) to an HSA.

Additional Documents. A transfer can avoid income and penalty taxes but, to be successful, additional contribution and distribution documentation may be required by your HSA's/Archer MSA's custodian/trustee.

For Additional Guidance. It is in your best interest to seek the guidance of your tax or legal professional before completing this document. Your first reference should be the HSA agreement and disclosure statement you received upon establishing your HSA or amendments provided by your custodian/trustee. For more information refer to Internal Revenue Code (IRC) Section 223 and all additional Internal Revenue Service (IRS) guidance, IRS publications that include information about HSAs, your local IRS office, or the IRS's web site at www.irs.gov.

Terms. A general understanding of the following terms may be helpful in completing your transactions.

In Kind. If an HSA/Archer MSA contains stocks, bonds, mutual fund shares, or other types of property, it may be possible to move such property to an HSA without liquidation. This type of "in kind" transfer would require that the property be reregistered in the name of the transferee HSA custodian/trustee for the benefit of your HSA. The transferee's policies, charters, or applicable law may prevent the transfer of property. Time deposits and savings accounts are not transferable.

Archer Medical Savings Account (MSA). An Archer MSA is a tax-favored savings account designed to help you pay for qualified medical expenses if you are an employee of a small employer or a self-employed individual participating in a high-deductible health plan. Archer MSA assets may be rolled over or transferred to an HSA.
